Πληκτρολογούμε στον web browser την ηλεκτρονική διεύθυνση <https://academic.oup.com/ajcn> . Στο αριστερό μέρος της ιστοσελίδας πατάμε **Register**. (

The screenshot shows the homepage of The American Journal of Clinical Nutrition. At the top, there is a navigation bar with the journal's name and a banner that says "Click to explore a collection of highly cited articles". Below this, the Oxford Academic logo is visible on the left, and "TEI of Heraklion", "Sign In", and "Register" are on the right. A red arrow points to the "Register" button. The main content area includes a navigation menu with options like "Issues", "More Content", "Submit", "About", "Purchase", and "Advertise". There is also a search bar. Below the navigation, there are several featured sections: "Latest Issue" (Volume 108, Issue 3, September 2018), "Impact Factor 6.549", "Editor-in-Chief Dennis M. Bier, MD", "About the journal" (describing it as a highly rated peer-reviewed journal), and a "NEVER MISS THE LATEST CONTENT FROM THE ASN JOURNALS" banner with a "SIGN UP FOR EMAIL ALERTS" button. At the bottom, there is a "Featured Articles" section with four article titles: "The impact of the tax on sweetened beverages: a systematic review", "Sucralose decreases insulin sensitivity in healthy subjects: a randomized controlled trial", "The complex human urinary sugar profile: determinants revealed in the cross-sectional KarMeN study", and "The role of eating behavior traits in mediating genetic susceptibility to obesity". The Windows taskbar is visible at the very bottom.

The screenshot shows the homepage of the American Journal of Clinical Nutrition (AJCN) website. The browser address bar displays <https://academic.oup.com/ajcn>. The Oxford Academic logo is in the top left, and the TEI of Heraklion logo is in the top right. A red arrow points to the "Sign In" button in the top right navigation area. The main header features the journal title "The American Journal of CLINICAL NUTRITION" and the ASN logo (EST. 1928). Below the header is a navigation menu with options: Issues, More Content, Submit, About, Purchase, and Advertise. A search bar is located on the right side of the menu. The main content area includes a "Latest Issue" section for Volume 108, Issue 3 (September 2018), an "Impact Factor 6.549" section, an "Editor-in-Chief" section for Dennis M. Bier, MD, and an "About the journal" section. A blue and green banner on the right encourages signing up for email alerts. The "Featured Articles" section is visible at the bottom, with four article cards. The Windows taskbar at the bottom shows the system tray with the date 4/10/2018 and time 2:34 μμ.

Featured Articles

The impact of the tax on sweetened beverages: a systematic review

This study found that taxation significantly influences planned purchases and increases the probability of the purchase of healthy beverages.

Sucralose decreases insulin sensitivity in healthy subjects: a randomized controlled trial

The aim of this study was to evaluate the effects of sucralose consumption on glucose metabolism variables.

The complex human urinary sugar profile: determinants revealed in the cross-sectional KarMeN study

The aim of this study was to obtain a comprehensive urinary sugar profile of healthy participants and to demonstrate the wide applicability and

The role of eating behavior traits in mediating genetic susceptibility to obesity

The results of this study indicate that the genetic susceptibility to obesity is partly mediated through undesirable eating behavior traits, which suggests that they could be targeted in obesity
