

# Blended Mobility...

**BlendEd**  
is the European authority  
in the field of educational  
**blended mobility** projects.

## BlendEd aims to:

Foster Europe wide **participation**  
in Blended Mobility projects

Offer **training** for HEI's and  
companies interested in working  
together with international stu-  
dent teams

Recognize international compe-  
tences and good practices in  
Blended Mobility by designing  
**certification** tracks

## Get in touch

For more info please email blendEd  
coordinator **Nuno Escudeiro** at
