Java Developer (JAD2204)

About the job

Description of position

The successful candidate will be part of a talented software team that works on the development and evolutive maintenance of web applications. You will be responsible for Java SE/EE application development while providing expertise in the full software development lifecycle, from technical architecture to functional testing.

Typical Responsibilities

- Develop and implement web-based Java applications to support business requirements and support requests.
- Follow approved life cycle methodologies and perform coding and testing.
- Resolve technical issues through debugging, research and investigation.
- Work autonomously (as part of a larger team) to investigate problems in a given codebase, identify the root cause and propose, develop and test a stable technical solution.

Requirements

- BSc/MSc degree in Computer Science, Engineering or a related subject.
- Proven hands-on Java web development experience with more than 2 years of professional experience.
- Object Oriented analysis and design with critical thinking on when to use which methodologies and design patterns.
- Excellent knowledge of Relational Databases, SQL and ORM technologies (JPA, Hibernate).
- Experience in developing web applications using at least one popular web framework (e.g. Spring MVC, Spring Boot).
- Experience with test-driven development with JUnit (Mockito, JMockit etc will be a plus).

The following will be considered a plus:

Insight of Java and EE internals (Class Loading, Memory Management, Garbage Collection, etc).

- Experience with Agile Development Methodologies (SCRUM, LEAN, KANBAN).
- Semantic web related technologies (e.g. HTML5, XML, JSON).
- JavaScript development (Backbone, Node, Angular).
- Familiarisation with CI/CD servers (e.g Jenkins).
- Familiarisation with Docker and/or Vagrant.
- Subversion and/or Git knowledge.

Benefits

- Competitive salary.
- Opportunity to work in high-profile, international projects.
- Continuous education and knowledge exchange.
- Friendly and stimulating environment.
- Career path.
- Private Health Coverage.
