

Technological Educational Institute (TEI) of Crete
School of Applied Sciences
Department of Electronic Engineering

4th Erasmus Week on “Modern Topics in Electronics and Applications”
Chania, Crete, Greece, 21-27 May 2017

Updated Time Schedule & Lecture Halls (Version 2)

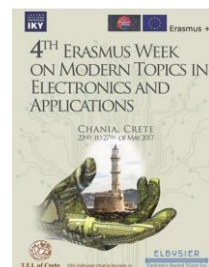

MONDAY 22nd MAY

Time	Lecture Room 8	Lecture Room 12	Lecture Room 13	Lab Room 1
08:30-09:00	Welcome	Welcome	Welcome	
09:00-11:00	<p><i>Design and Implementation of Digital Filters</i></p> <p align="center">Sarunas Paulicas</p> <p><i>Vilnius Gediminas Technical University Lithuania</i></p>	<p><i>Avatars, Virtual Agents, Bots - Relationship Interfaces for Health Applications</i></p> <p align="center">Nava Shaked</p> <p><i>Holon Institute of Technology, Israel</i></p>	<p><i>Business Analysis in ICT</i></p> <p align="center">Anna Bobkowska</p> <p><i>Gdansk University of Technology</i></p>	<p><i>Power quality</i></p> <p align="center">Abdurrahm. Unsal</p> <p><i>Dumlupinar University, Turkie</i></p>
11:00 -11:30	Break			
11:30-13:00	<p><i>Open Courses & CISCO Platform Towards Modern Education for Engineers</i></p> <p align="center">Yiannis Barbounakis</p> <p><i>TEI of Crete, Greece</i></p>	<p><i>Data modelling, big data and process mining in healthcare information</i></p> <p align="center">Nissim Harel</p> <p><i>Holon Institute of Technology, Israel</i></p>	<p><i>State-of-the-art and problems of renewable energy systems</i></p> <p align="center">Eleonora GUSEINOVINE</p> <p><i>Klaipeda University of Applied Sciences, Lithuania</i></p>	<p><i>Business Analysis in ICT Workshop</i></p> <p align="center">Anna Bobkowska</p> <p><i>Gdansk University of Technology</i></p>
13:00-16:00	Lunch			
16:00-18:00	Tutorials	Tutorials	<p><i>Smart metering and Home automation technologies The SMARTEL project</i></p> <p align="center">R. Strelciuniene Z. Kasperuniene</p> <p><i>Panevėžys university of Applied Sciences, Lithuania</i></p>	<p><i>Business Analysis in ICT Workshop</i></p> <p align="center">Anna Bobkowska</p> <p><i>Gdansk University of Technology</i></p>
18:00-18:30	Break			
18:30-20:30	ELBYSIER/DESTINY Project Multiplier Event			

Technological Educational Institute (TEI) of Crete
School of Applied Sciences
Department of Electronic Engineering

4th Erasmus Week on "Modern Topics in Electronics and Applications"
Chania, Crete, Greece, 21-27 May 2017

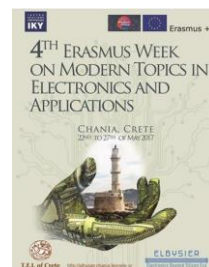

TUESDAY 23rd MAY

Time	Lecture Room 8	Lecture Room 12	Lecture Room 13	Lab Room 1
09:00-11:00	<p align="center"><i>Ki-Cad An Open Source EDA Suite</i></p> <p align="center">Lauri Vosandi Estonian IT College, Estonia</p>	<p align="center"><i>Power quality</i></p> <p align="center">Abdurrahm Unsal Dumlupinar University, Turkie</p>	<p align="center"><i>3rd Generation Photovoltaics (From OPVs to Perovskite Solar Cells)</i></p> <p align="center">Kostas Petridis TEI of Crete, Greece</p>	<p align="center"><i>Workshop on FPGA programming</i></p> <p align="center">Dirk Van Merode Thomas More University College Belgium</p>
11:00 -11:30	Break			
11:30-13:00	<p align="center"><i>Ki-Cad An Open Source EDA Suite</i></p> <p align="center">Lauri Vosandi Estonian IT College, Estonia</p>	<p align="center"><i>Power quality</i></p> <p align="center">Abdurrahm Unsal Dumlupinar University, Turkie</p>	<p align="center"><i>Laser Produced Ultrasounds & Applications</i></p> <p align="center">Nektar.Papadogiannis TEI of Crete, Greece</p> <hr/> <p align="center"><i>Detection of Drugs, Explosives and Electronic Circuit Defects using portable X-RAY sources</i></p> <p align="center">Michael Tatarakis TEI of Crete, Greece</p>	<p align="center"><i>Workshop on FPGA programming</i></p> <p align="center">Dirk Van Merode Thomas More University College Belgium</p>
13:00-16:00	Lunch			
16:00-18:00	<p align="center"><i>Fault location in power distribution and transmission lines</i></p> <p align="center">Yilmaz Aslan Dumlupinar University, Turkie</p>	<p align="center"><i>Calibration of Energy Analyzer on Voltage and Current</i></p> <p align="center">Krasimir Galabov Technical University of Sofia, Bulgaria</p>	<p align="center"><i>Principles of Molecular Lasing</i></p> <p align="center">Y. Tischler Bar Ilan University, Israel</p>	<p align="center"><i>Workshop on FPGA programming</i></p> <p align="center">Dirk Van Merode Thomas More University College Belgium</p>
18:00-18:30	Break			
18:30-20:30	<p align="center"><i>Realization of embedded projects in Thomas More campus, Geel</i></p> <p align="center">Peter Mertens Thomas More University College Belgium</p>	<p align="center"><i>Virtual Technologies for Intelligent Measurements</i></p> <p align="center">Krasimir Galabov Technical University of Sofia, Bulgaria</p>	<p align="center"><i>Optoelectronics of 2D Materials: From Graphene to Black Phosphorus</i></p> <p align="center">Doron Nevah Bar Ilan University, Israel</p>

School of Applied Sciences
Department of Electronic Engineering

4th Erasmus Week on “Modern Topics in Electronics and Applications”
Chania, Crete, Greece, 21-27 May 2017

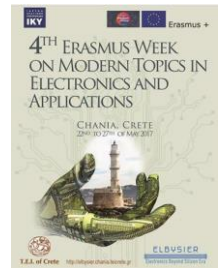

WEDNESDAY 24th MAY

08:00-08:30	<i>Departure to Rethymno</i> <i>(Centre for Plasma Physics & Lasers)</i>	
10:00-11:15	<i>Welcome to the participants</i>	<i>Prof. Michael Tatarakis</i> <i>Director of CPPL</i>
10:15 -10:45	<i>TEI of Crete and its Internationalisation Policy</i>	<i>Prof. Evangelos Kapetanakis</i> <i>Rector of TEI</i>
10:45-11:30	<i>30 years Erasmus – The role of TEI</i>	<i>Dr. Gareth Owens</i> <i>Head Officer of IRO</i>
11:30-12:00	<i>Good practices & Success Stories of Erasmus in TEI</i>	<i>Dr. Kostas Petridis</i> <i>Erasmus Coordinator</i>
12:00-13:00	<i>Erasmus from Student's eyes</i>	<i>Erasmus Students</i>
13:00-14:30	Lunch	<i>Light Lunch</i>
14:30-16:00	<i>Presentation & Guided Tour in CPPL</i>	<i>Prof. Nektar. Papadogiannis</i> <i>Director of TEI in Rethymno</i>
16:00-18:30	<i>The Erasmus Experience in Guest's Universities</i>	<i>Guests Participants</i>
18:30-20:00	<i>Guided Tour in Rethymno</i>	
20:00-22:00	Dinner	<i>Traditional Dinner in a Tavern</i>

Technological Educational Institute (TEI) of Crete
School of Applied Sciences
Department of Electronic Engineering

4th Erasmus Week on "Modern Topics in Electronics and Applications"
Chania, Crete, Greece, 21-27 May 2017

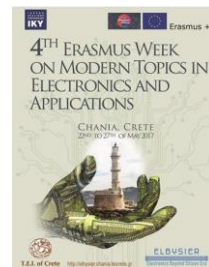

THURSDAY 25th MAY

Time	Lecture Room 8	Lecture Room 12	Lecture Room 13	Lab Room 1
09:00-11:00	<i>E-ICT curricula and student projects</i> Patrick Pelgrims Thomas More University College Belgium	<i>Theory, equipment and methodology for conducting practical trainings of Digital Electronics</i> Dimiter Badarov Technical University of Sofia, Bulgaria	<i>When Technology Meets Market Forces</i> Nava Shaked Holon Institute of Technology, Israel	
	<i>Modelling materials for Energy Applications</i> Alexander Chroneos Coventry University, UK		<i>Developing Course Curricula linked with the Market Needs</i> Konstantinos Petridis TEI of Crete, Greece	
11:00 -11:30	Break			
11:30-13:00	<i>Virtualization in the open-source world</i> Phaedra De Greef Thomas More University College Belgium	<i>Big data, AI and Machine Learning</i> Stefaan Haspelagh Vives University College Belgium	<i>Course content design for the mobile access: Reflections on appropriate content for bite-sized learning through mobile technology assisted MOOCs</i> Jonathan Westlake Staffordshire University, UK	
			<i>Teaching Nanoscience in formal and informal educational settings</i> Dimitris Stavrou University of Crete, Greece	
13:00-16:00	Lunch			
16:00-18:00	<i>High Availability</i> Phaedra De Greef Thomas More University College Belgium	<i>Ethical challenges of AI and IoT: privacy and automatisaton</i> Thomas Folens Vives University College Belgium	<i>Online Module Development Principles</i> Jorge Gutierrez University de La Laguna, Spain	
			<i>The German System of Higher Education</i> Helmut Dispert FH Kiel, Germany	
			<i>The Flemish System of Higher Education</i> Serge Schroef Vives University College Belgium	

Technological Educational Institute (TEI) of Crete
School of Applied Sciences
Department of Electronic Engineering

4th Erasmus Week on “Modern Topics in Electronics and Applications”
Chania, Crete, Greece, 21-27 May 2017

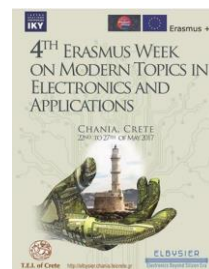

18:00-18:30	Break		
18:30-20:00	ELBYSIER Multiplier Event	<i>How to foster entrepreneurship in Higher Education from the experience of a SME.</i> Ricardo Tavio <i>EVM, Spain</i>	
		<i>How to prepare unemployed personnel to get back to the work</i> Jonathan Westlake & Marusa Gorsak	
		DESTINY Multiplier Event	

Technological Educational Institute (TEI) of Crete
School of Applied Sciences
Department of Electronic Engineering

4th Erasmus Week on "Modern Topics in Electronics and Applications"
Chania, Crete, Greece, 21-27 May 2017

FRIDAY 26th MAY

Time	Lecture Room 8	
09:00-11:00	<i>Presentation of Universities</i>	<i>Poster Session</i>
11:00 -11:30	Break	
11:30-13:00	<i>Presentation of Universities</i>	<i>Poster Session</i>
13:00-15:00	Lunch	
15:00-18:00	EXAMS	
18:00-19:00	Certificates Awards	
19:00-22:00	Farewell Dinner
